Dear Faithful Supporters, Praying Partners,

Greetings, in the beginning of the letter let me say Thank You for your prayers . These last several months have been trying, I have been struggling with what the doctor call Sleep Apnea. This is something I have been dealing with for over a year. If I may share with you how God helped with this. Three Years ago I went to a Pastor Fellowship meeting in South Carolina. This was a three hour drive for me. Anyway I meet several pastors with several saying they would get back with me about scheduling a meeting. Three years later I get a phone call from a pastor I had met in the meeting, he began to tell me how he had been praying for me and he had not done what he said. Long story short, the pastor and I scheduled a meeting. I have been to the church and they support this ministry and family. While talking to the pastor after the meeting I ask the Pastor to pray for me about getting a Sleep Study. I can still hear the Pastor ask Brother do you have Sleep Apnea? He then Said I will be Praying for you. Two weeks later he called to tell me the church had voted to send me a Thousand Dollars for the Sleep Study. I now have a C pap Machine I actually wake up wanting to get up. Ain't God Good. He sees the big picture. I had to share this if for no other reason but, to Glorify The Lord.

I hope you understand how I rejoice in what the Lord can do! He knew I needed this blessing for it surely has been a struggle with all the other things that have happen. It was not only a blessing to me but to my family and other's, I share this with.

The prison ministry here at Western Youth has been a blessing as well. In the Month of May Twenty-seven inmates trusted Christ as Savior. I was able to present Christ in a service with forty-five in attendance at the invitation twenty-one came forward. Glory to His Name!!! My wife also in April saw forty women trust Christ at a Women's Prison.

At one prison a woman inmate that my wife had lead to the Lord over a year ago came and told my wife that her children were now being taken to church by their grandmother! Praise The Lord!

I do have a special Prayer request in August; I will be traveling with Dr. Bobby Sizemore who is with the Rock Of Ages Prison Ministry to Brazil. The date is August29- September 09, 2005. This something I have been praying about doing and the Lord has made a way for me to go. As I write this letter one of my supporting Churches have said they would pay for my plane ticket. I am grateful for His people supplying the need. To think he would save my soul then calls me into the ministry. To take someone like me, and tell someone about Him. I think about what a well know Evangelist said "You must be willing to become a servant before you can become a son."

Thanks for Caring! Thanks for Praying!

In His Service,

Lonnie Brown
