

**Prayer Letter**  
**August 2006**

**Dear Faithful Supporters, Praying Partners,**

**Greetings; "I am trying to find God, and I want to learn and be around people who are trying to do the same". These are types of request that I get from time to time from young men at my prison. This one request just stood out, more so than any other requests in a while. Trying to find God, how do you? Are you searching? I began to show this young man who only had been taken to church as a little boy by an aunt and uncle, how to find God. I could only do but one thing in helping him with his search. I took him to the Word of God! What a Blessing to be able to share with this young man the scripture and to see him begin to grasp what Christ did for him. Then to hear him pray and ask the Lord to forgive him. What a Joy to have this privilege all because of your faithful prayers and support for my family and this ministry. I do need to share one other thing, as this young man was leaving my office, he stopped and said "Maybe I will be able to help someone find God someday, as you did for me" Please pray that he will!**

**In my last letter I thanked those who gave towards the Bible fund. Some have asked if it was too late to give? This is something that can be given at anytime. Please pray about helping in purchasing Bibles. I have been following up with the decisions made in July, when someone told me that I gave him his first Bible he had ever had. I explain to him that God's people (Churches and individuals) purchased the Bible that he was given. I was just giving out the Blessing! There will always be a need for Bibles!**

**In my last letter I also mention about praying for the trip to Brazil. The trip is scheduled for Oct 17-27,06. I do need to explain something. The Lord took care of the need for this plane ticket back in May of this year. To think that August of last year, I was going to Brazil for the first time! I am now going for the third time. To God be the Glory!**

**Please would you be willing to help towards the other expense while traveling within the country of Brazil. I cannot do this alone; I am going to need at least \$500.00 dollars Please pray and ask what you could do in helping someone find God! Little is much when God is in it!**

**In closing Gail has been recovering from the surgery and doing well. She wanted me to Thank each and everyone that Prayed for her and for the cards you sent. To have Christian friends that prays one for another and gives toward the need of others. Thank You!**

**Would you be able to help someone find God, if ask? Thanks for Caring!**
