

**Prayer Letter**  
**November**  
**&**  
**December 2007**

Dear Faithful Supporters, Praying Partners,

Greetings: One year ago in my December 2006 Prayer letter I ask for you to prayerfully consider helping me in going to prison. Through your prayers my family and I have seen the good hand of the Lord through out this year. It is simple amazing how The Lord has blessed in meeting the needs of my family so that I can go to prisons both home and abroad. To know that God's people even gave sacrificially. I am humble by your kindness, faithful prayers and financial support.

It was through your support I was able to travel to Brazil in March 07 then to Ukraine Nov. 2007. The dates I traveled to the country of the Ukraine were Nov.05-16, 07. I traveled with missionary Charlie Russell with ROA. After arriving in Kiev, Ukraine and meeting Alex Fishenko the next day we traveled to what is known as Poltava region. This is a four-hour drive by car east of Kiev, Ukraine. While traveling to this region, I was able to see how Communism has such devastation. I personally believe that it was not communist that has made the country this way. But it is the very fact that for seventy years the people of Ukraine have been told there was no God. However, since 1991 the Great God of the Universe has said there is no communism. I was told during communism the church flourished. It was during persecution that this identified the "True Christians".

While in the region of Poltava we were able to give out over 350 discipleship work books "What God wants you to Know" written by Dr. Bobby Sizemore, plus over 400 pocket new testaments. The Lord blessed with liberty in each of the eight services held with over 300 inmates in attendance hearing the gospel. In one of those services the Holy Spirit of the Lord moved that one inmate was crying uncontrollable. While I was preaching I noticed this man weeping and wiping tears from his face. He looked at me as to say, "why am I crying". Looking at him and the faces of these other men moved me too tears as well. It was at the invitation he jumped to his feet and publicly asks the Lord to forgive him. It is with great joy I am able to report to you **thirty-four** professions of faith in Christ after visiting eight prisons.

While at Western Youth the Lord Blessed with **one** saved in December.

I end this last Prayer letter of 2007 with the same prayer request of 2006. Pray for us as I seek to do **His** will in going to prisons in 2008. How I would love to go overseas again in 2008. Please make this a matter of prayer in helping. I also do have some very special prayer request the Lord knows the needs of my family and the situation. Help us pray about those needs as well. From My Family to yours **MERRY CHRISTMAS AND MAY THE JOY OF THE LORD BE YOUR STRENGTH IN 2008! THANKS FOR CARING !! THANKS FOR GIVING !!**
