

Prayer Letter
February/March 2007

Dear Faithful Supporters, Praying Partners,

Greetings, PASTOR !!!! PASTOR !!!! These are the words that I heard after entering a prison in Brazil. A man incarcerated in a Brazilian prison to my amazement remembers me from last year. He was overwhelmed with joy to see me; he would hug me then stop and look at me while he was wiping tears from his face. It was through our translator that he told me that in January 2006 I came and preached at this prison and that was the day he ask Christ into his life.

While at this prison about 70 men had gather in a circle as I preached. It was the invitation that thrilled my heart more than anything. I was standing and looking around and no one was raising their hand for Salvation. In my heart I spoke a prayer and ask the Lord surely their would be just one that would raise his hand. Turning and looking around there it was a man had his arm stuck out his cell door waving it up and down. How it blessed my soul to see this one individual moving his arm up and down outside his cell bars. I went down and he told me through the translator that he had asked for forgiveness and Christ to save him, and he wanted someone to know.

Your are different why am I trembling, I have never felt this way, why am I trembling. A woman at a women's prison in Brazil came and ask this question. She then said your are different than any other religion that comes in here. Why? I would like to think that it was because Churches and individuals were praying back home in the states. If I may say "Thank the Lord I am Different."

I felt in my heart to share with you these few stories that happen while in Brazil March 5-16,07. In all there was seven prisons visited, thirty-five preaching services, and 5000 gospel tracts with other literature given out. The greatest of all is 202 professions of Faith in Christ.

The person I traveled with to Brazil in March is Charles Russell. Brother Charles serves with the Rock of Ages International Ministry. He has asked me if I would like to go with him to Lithuanian in July 07. Would you please make this a matter of prayer? I have by faith trusted the Lord to supply the need for each and every trip. A Pastor told me that it just goes to show how much God loves a soul, he was truly amazed at how the Lord was helping me go. Would you be willing to help supply the needs for this trip? I would like to go back to Brazil and even the Ukraine sometime this year. Please help us pray! **"There are souls to rescue; there are souls to save, Send the Light"**

The Month of February at Western Youth four saved. In March three saved. One of the young men saved in March told me that he now has a place he can look back on and remember the day the Lord saved him. Thank the Lord for a place I can remember!

Thanks for Caring! Thanks for Giving !

In His Service,
