

Prayer Letter
June & July 2006

Dear Faithful Supporters, Praying Partners,

Greetings; I would like to first thank each and everyone, churches and individuals that gave towards the Bible fund account. I can tell you that by purchasing these Bibles you can and do make a difference. I received a letter from and young man incarcerated here and he was writing to tell me about some things going on in his life but he also said, "thanks for my King James Bible". So Thanks for giving!

While I am on the subject of Bibles I do need to tell you Rock Of Ages Prison Ministry has a Study Bible that will be available to those incarcerated and for your individual purchase.

Please go to the web address <http://www.roapm.com> and look at the new web site to get all the details concerning the ROA Study Bible.

The last several months my wife and I have had some physical problems. My wife Gail had to have a partial hysterectomy on July 31, 06. The last several months leading up to this has been very stressful for the both of us. One of our main concern was how are we going to pay for this? The insurance pays 70 percent that leaves us with 30% to pay plus a \$1000.00 deductible. So would you please make this a matter of prayer that the finances for this would be taken care of? As for me my left foot began to swell and it became very painful to the point of not able to stand for any period of time. So I went to the Veterans Hospital and the Doctor said I had Cellulitis and prescribed and antibiotic for me to take. I had to take this medication for twenty-four days before it went away. I was told because I had scraped my foot on a piece of metal that what caused it.

How have we made it? Glad you ask! I think about how a lady some of you will never meet on this side of eternity that told me over a year ago "she prayed for me on her way to work at four in the morning". Plus how the other day a Pastor called and told me about someone in his church passing away. The Pastor said this man "Loved me and Prayed for me".

Prayer is the Greatest Power of Strength!

I need to let you know that while all the physical things are happening the Spiritual things were at work too. I was able too schedule Alex Fishchenko from the Ukraine to come to the prison on two different occasions. The Lord helped in the services with Twenty-one professions of faith in one service. The second service with over two hundred in attendance Sixty-seven professions of faith. I almost forgot over Thirty Bibles given out! Is this the reason for the struggles! What would a man give in exchange for his soul! What are you willing to do for the cause of Christ? Thanks for Caring!

In His Service,

James 5:16

PS

Please make this a matter of prayer I will be traveling back down to Brazil in October. Please pray the needs will be met.
